Antistatik Ameliyathane Terli i Antistatic Operating Room Clog

Lacivert - Navy Blue

Beyaz - White

Ocean Antistatik Ameliyathane Terli i Ocean Antistatic Operating Room Clog

Tasarım Özellikleri:

Antistatiktir. Üretiminde kullanılan özel hammaddesi, kan dolaşımı ve hava sirkülasyonunu sağlayan tasarımı sayesinde terleme ve kokuyu engeller ve mantar oluşumuna yol açmaz, kolay temizlenir, steril edilir, kabarcıklı iç yüzey ayak tabanına masaj yapar ve uzun süre ayakta çalışan kullanıcıları dinlendirir, Fiziksel ve kimyasal etkilere karşı dayanıklı, hafif ve esnektir. Ses yapmaz, kaymaz. Bayan terliklerinde (küçük numaralar) puanlı desen. Kolay görülür ebat numaraları.

Design Specifications:

It's antistatic. Thanks to its special raw material and design providing air circulation, perspiration and fungus are prevented. Easy to clean and sterilize, bumpy inner surface massages foot base and rests hospital staff standing for long time. It is resistant to physical and chemical effects, it is lightweight and elastic. It doesn't make noise while walking, and doesn't slip. There are dotted design on women type (small size) models. With easily visible size numbers.
